**AID TO RUSSIA**

Snow was deep and travel was slow to-day as Hamiltonians faced another assault by the weatherman, but citizens had comfortable homes, warm clothing and enough to eat. Contrast this picture with the plight of Russians, who are plodding through mountainous drifts in sub-zero weather to drive back an enemy who threatened not only their own country, but all the civilized world. Their families at home are without adequate shelter, clothing, food and medical supplies. Their needs grow greater as cold strikes. Canadians are asked to share their lot with these brave people by sending donations to the local Aid-to-Russia fund. The money will be used to purchase the supplies so urgently required. In to-day's list of contributors there are many smaller amounts, all of which helped to swell the total to \$15,209.05. The receipts over the week-end amounted to \$261.85 and the following are the donors....

Total: \$15,209.05. Please address donations to E. R. C. Bower, treasurer, City Hall, Hamilton, and make cheques payable to the Aid-to-Russia Fund, or leave donations at any branch bank 149 in Hamilton.
